

Here Comes the Sun: Energizing Our Awakening to Oneness (Paperback)

By Roland Sowadi Aranjo

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. We are about to experience a series of life altering events, powerful solar storms impacting planet earth, causing a cascade of geological and physical transformations, as predicted by many traditions and confirmed by noted scientists. This will be our opportunity to be in oneness with all of life, while creating sustainable sovereign communities. Your guide for these transformational times is a seven day intention creation process, to assist you in creating oneness. The time to get prepared is now. Scientists, National Governments, Remote Viewers (a once secret U.S. government program) and Prophets are now preparing for upcoming events that will dramatically affect life on earth. A series of Solar Storms, X-rays and Coronal Mass Ejections, will soon be hitting our home planet earth, causing a cascade of life altering events - earthquakes, volcanoes, tsunamis, heating up the earth. These electromagnetic events, highly charged proton plasmas, will also impact our physical and spiritual bodies as well - including our pineal gland, chakras, Kundalini, and DMT activation, which will create an experience of universal oneness. As NASA knows, this mass of protons will more easily penetrate the...

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.
